

Spring 2016 Bakery-Cafe Menu

We are Panera Bread

And we believe that good food, food you can feel good about, can bring out the best in all of us. Food served in a warm, welcoming environment, by people who care. To us, that's good eating and that's why we're here.

Allergen Statement

Many of our products contain or may come into contact with common allergens, including wheat, peanuts, soy, tree nuts, milk, eggs, fish and shellfish. Before placing your order, please inform your server if a person in your party has a food allergy so that a manager can, at your request, provide you a list of ingredients in your order.

WHAT WE'RE CELEBRATING

Your favorite soups, only cleaner.

For the past two years our food team has been hard at work remaking our bakery-cafe soups with totally clean ingredients. After careful consideration of each ingredient in each and every soup, and finding better, cleaner alternatives for anything that didn't measure up, we've made it. And now every one of our soups is something you can indulge in and feel good about eating.

No matter which Panera soup you dunk your spoon into, you'll never slurp a single artificial preservative, sweetener, color or flavor. What's not to love about that?

Learn more about our soup saga – and find out just how many tries it took to get our clean Broccoli Cheddar exactly right – at PaneraBread.com.
